

# Affordable housing...

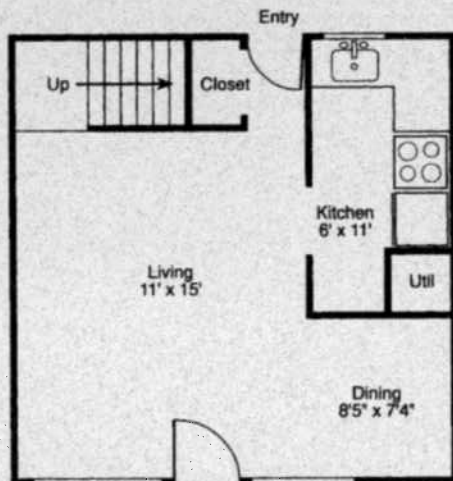

Onondaga Lake Townhomes offers many amenities you would not expect with affordable housing. Our completely renovated kitchens feature oak cabinets, formica countertops, gas range and frost free refrigerators. Living room, dining room and bedrooms sport wall to wall carpeting and our dining rooms feature ceiling fans. Our townhomes offer energy efficient windows and insulation with low cost gas, forced air heat and programmable thermostats to help maintain reasonable heating expenses. A comfortable laundry room and kid friendly playground are the frosting on the cake.
